victorian' 69

official year of 1968-69
victoria composite high school
edmonton, alberta, canada

The VICTORIAN '69 is dedicated
to Life,
which made it possible.
"Look to this day for it is life,
The very life of life.
In its brief course lie
all the verities
and realities of your existence:

The Bliss of Growth,
The Splendor of Beauty,
The Glory of Action.

For yesterday is but a dream,
And tomorrow is only a vision.
But today well-lived makes every
yesterday
a dream of happiness
And every tomorrow
a vision of hope.
Look well, therefore, to this day."

Sanscrit

PRINCIPAL'S MESSAGE

Another year is drawing to a close and we bid farewell to another graduating class from Victoria Composite High School. The graduates will be going on to further education, or to immediate employment. The school has tried to give to each student an education suited to their abilities and from here on you are on your own. May I hope that each of you may find his or her own niche in life whatever that may be. Some one has said,

"A man is at his best when he is doing his best at what he can best do". Perhaps we should add that then he is also at his happiest.

The world is rapidly changing. Jobs available now will be obsolete in a few years. Hopefully your high school education has made you adaptable to change. I would hope you have learned to think, to evaluate and differentiate the right from the wrong. Values are changing in today's society but let us not accept all that is new because it is new, and throw out all that is old because it is old. There is always room for change and improvement but many of the old values have been proven over the years to be necessary for happiness.

May I wish each of the graduates success and happiness in the future and to those students who will be returning, my best wishes for a successful 1969-70, and my thanks to all who have cooperated to make 1968-69 another "good" year at Vic.

"There's nothing wrong
with teachers."

"Duh!"

"Hic — I don't drink
— Hic!"

"Devil's Brigade"

"Why do you think I look like Castro?"

"This course is a snap."

"Wanna drink kid?"

"Sex Education, what's that?"

"Bet you can't do this!"

"Let me read my 'Playboy' in peace."

"Why can't you bring your own kleenex?"

"Hey you! Quit kissing the table."

"The great Canadian cover-up."

"I don't think you should try the pie."

"Teacher?"

'These pants are too tight.'

"I'm just a teacher;
I don't know everything."

"Blow in his ear and he'll follow
you anywhere."

"Dang Kids!"

"Flies are big this year!"

student government

President's Message

A year passes so quickly, yet within a year, so many unique and wonderful events are experienced that will never be forgotten, and will help us greatly in shaping the future. It is the people involved in this experience, that will remain the longest in my memory, for it is they who have made me realize the value of a Students' Union, and the necessity for it.

The year was filled with excitement, right from beginning to end. Who can forget Frosh Days, when the grade tens were given a taste of what high school was like. (Spaghetti, pablum and cream pies gave them the real taste). The gym was wild during Frosh Court, when the savage Redmen dragged the frosh up to the jury, who could do nothing but pass the guilty verdict. Through all the fun of this first week, the new high school students became part of our school. During Club Days they, along with the rest of us, were introduced to the many and varied clubs there were to join at Vic.

Two weeks in November and December were devoted to the choosing of our school queen, Miss Redman. After polishing shoes and crawling through the halls on all fours, the judges chose the winner, who was then graciously crowned at the Miss Redman Dance.

The St. Valentines Drip In resulted in our school donating 314 pints of blood to the Red Cross. It was actually the pop and cookies, received after donating, that convinced so many people to give a pint of blood. Once again the janitors, on a percentage basis, donated the most pints, and won the annual blood cup.

The Drama Dept. excelled in both number and quality of productions over previous years. Hard work and long hours made "Enter Laughing", and "No More Peace", great success. Due to the excellent acting, "Miracle Worker", a Performing Arts production, held the audience captive in emotion and admiration, right to the closing curtain.

In athletics, Vic teams proved their worth, capturing numerous titles this year. The junior basketball team finished in first place after league games, with an outstanding fourteen wins and zero losses record. The senior basketball team went into the playoffs, having finished third in the league games. There was no question as to who deserved the city championship, for the Redmen won the first two games, and went on to trounce the Jasper Place Rebels, for the trophy. Other city championship trophies captured this year include the junior girl's basketball, ping pong, and mixed bowling. One of my great thrills of the year, was to see the many Vic fans at football and basketball games, cheering for the Redmen during both defeat and victory. It is this kind of support and enthusiasm that we call Vic Spirit!

This year has also seen several important changes, including the introduction of the semester system, the free use of the grade twelve study period, and the initiation of smoking lounges. These changes were brought about by teachers and students, through a realization that the desires of a school do not always remain the same.

It is very difficult to sum up a whole school year on a piece of paper, for how does one explain, in words, the atmosphere created by the many students and teachers of Vic, who have made this year one to be long remembered. Sincere thanks are extended to the Students' Executive, Students' Council, Miss Scheidegger (our staff advisor), and the whole student body, for creating this atmosphere through all their work and support.

Farewell to Vic, and may the students of next year have just as much enjoyment working in the Students' Union, as we have had this year.

John Kristensen.

awards

H. A. McFARLAND CHEMISTRY AWARD

This fifty dollar award is presented each year to the student attaining the highest marks in Chemistry 30 at this school. The award is named after H. A. McFarland, a former principal here, who is shown with this year's recipient, Jim Coughlin.

C. O. HICKS MATRICULATION SCHOLARSHIP

The C. O. Hicks Matriculation Scholarship is the highest award granted to a male student at Victoria Composite High School. It is based not only on academic standing, but on outstanding service performed by the student. The 1968 recipient was Tom Bowen.

MAJOR ACTIVITIES

BACK ROW: John Kristensen, Lorne Sanborn, Ken Fletcher, Don Mah.
FRONT ROW: Caroline Cherniawsky, Valerie Harrison, Linda Perdue, Doreen Sulyma. MISSING: Carla Caskenette, Nadia Rudyk.

DEPARTMENTAL AWARD (SHORTHAND)

Evelyn Bloenhof and
Miss Pawliuk

ACTIVITIES MINOR

FOOTBALL GAMES

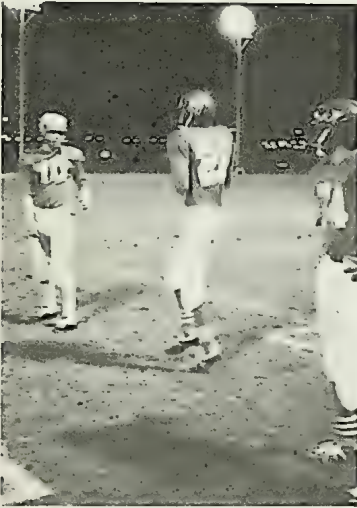

The Red and White had a rather unsettling Grid Season. The rookie filled Redmen opened the season against the experienced Saints from St. Joe's and were defeated 23-7. The Redmen then settled down to blank their next three opponents defeating Queen Elizabeth 17-0, St. Mary's 38-0 in an exhibition game and Archbishop McDonald 17-0. In the big game of the season, Ross Sheppard Thunderbirds clipped the Redmen 22-17. Vic was leading 17-15 with only 2 minutes remaining but an excellent pass and run resulted in a T'bird touchdown and with it went chances for a third consecutive city championship. The Redmen split their final two games beating O'Leary Spartans 10-6 and coming out on the short end of a 22-0 score with Jasper Place.

The failure to capture the city title could be attributed to several factors, however, we'll leave that to the coaching staff and Armchair Quarterbacks and focus on the bright spots. Al McAuley enjoyed his best season as a Redman and was selected to the Journal "All-City Team". Bill Bale, Bill Brandon, Dennis Ostrowerka, Bruce Patterson, Ron Leckelt and Dave Luchkow provided outstanding blocking all season. Danny Lopatka and Doug Kijewski were the main stay of the inside ground attack with Rick Hanak exciting the fans and bewildering the opposition with his dazzling winning and pass receiving. At the pivot Glen Kosak used his personal will and his play selection was superb.

The defensive unit proved to be one of the toughest and stingiest in the league. Dave Fennell, Dennis Ewasiak, Pat McDougall, Len Fasik, Gary Wednoske, Gary Niles, Ken Banner, Vern McCann, Rick Mah, Tom Armstrong, Al McAuley, Dennis Ostrowerka and Bill Bale all enjoyed a fine year.

All the players are highly commended for their fine efforts along with the many loyal Redmen fans who gave Vic the best support of all the High Schools.

MORE OF THE SENIORS

FRONT ROW: Bill McGarvey, Melvin Wong, Herb Link, Lloyd Kirschhofer. SECOND ROW: Coach Mr. D. Cragg, Rick Hanak, Brent Collingwood, Bob Robinson, Roy Knopp, Keith Mundorf. THIRD ROW: Jim McCabe, Dave Fennell, Jim Pratt, Bryan Bradley, Tom Bladon, Manager - Stuart Ross.

The 1968 - 69 Junior Redmen proved to be very skilled, very exciting, a little moody, slightly unpredictable — could have been the very best Junior team in the city high school league.

The boys on the team deserve a lot of credit for finishing the league schedule of fourteen games undefeated. In accomplishing this feat they scored 825 points and had 500 scored against them. Our strongest opposition this year came from St. Joes', St. Francis and Scona — and against these three teams in particular, our team played like champions. It was ironic that in the first round of the city play-offs against the McNally Tigers — 8th place in the league standings (whom we had beaten 66-34 the week before) that we had to experience our first defeat in league competition 64-63 and as the Journal said, "the Vic Juniors suddenly became spectators".

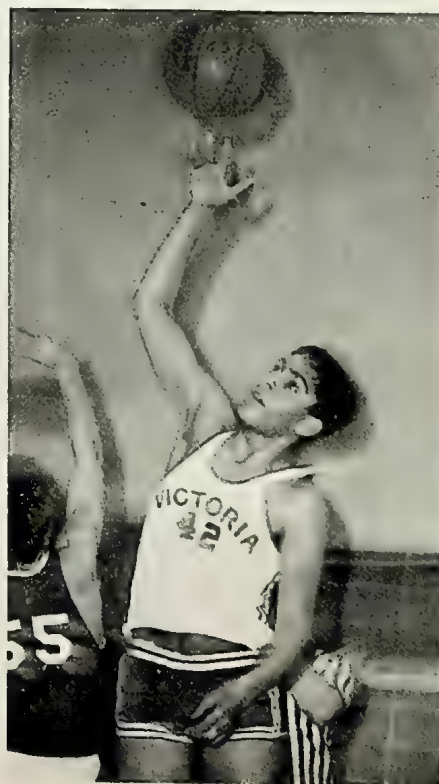

We as a team have emerged from the season's league competition somewhat saddened, but certainly the wiser. As the coach I know that come next year there will be fourteen young men who whether they play on Vic's senior or junior basketball team, will play with a special intent to capture what they almost succeeded in winning this year — the city championship.

Senior Basketball

CITY

CHAMPIONS

The Victoria Senior Basketball Team won the city championship for the 1968-69 season at Ross Shephard High School on March 8th. After placing third in league play the Redmen, using the one-tow-two animal defence, slaughtered the league winning Jasper Place Rebels 61-34 in the city finals.

During the course of the season the Redmen took part in three basketball tournaments. In the CAPHER tournament, which opened the season, the Redmen attained a second place standing. The team also captured second place in the Jasper Place Invitational Tournament held on the 17th and 18th of December. The Golden Bear Invitational Tournament held during the Christmas holidays found the Redmen defeating Calgary's Henry Wisewood Warriors then losing to the Jasper Place Rebels the following morning.

The Victoria Redmen played host to three exhibition games. The Harlem clowns defeated the team in hilarious noon hour play. VIC then challenged the Harlem Aces to a noon hour game which they lost. During the mid-season the Redmen hosted an exhibition game with the Victoria Alumni. Overpowered by experience and height the Redmen were again defeated.

The senior team won 10 out of 13 league games. The losses of the season were of no effect on the team as it was team effort which carried the Redmen to victory in the finals.

A special congratulation is to be extended to Wayne Lovatt and Bob Dawson for being selected for the City All-Star Basketball Teams.

The success of this year's team can be attributed to the combination of the return of Bill Bale, Barry Cunningham, Dale Lovatt, Wayne Lovatt and Len Priebe, and to the rookie players Bob Dawson, Al Gray, Bob McGarvey, Don Nelson, Macky Pohlko, Ken Richardson and Gary Starchuk. Of course behind every great team there is a great coach and Victoria Composite High School has the greatest coach, Mr. Glyn Wynn.

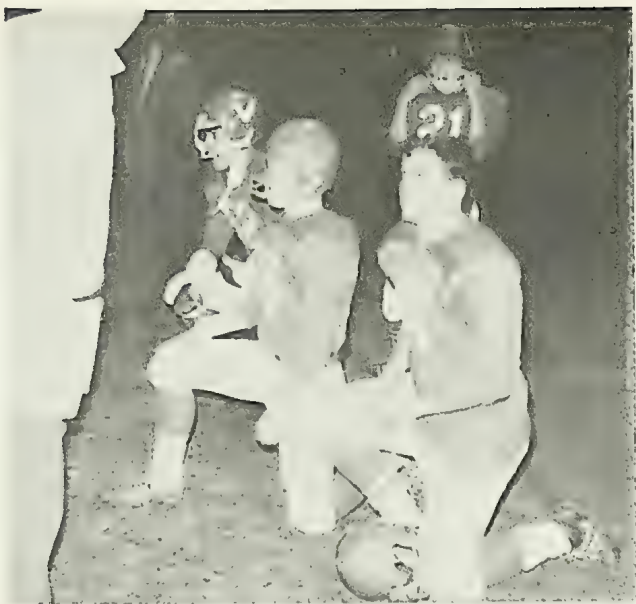

As manager of the team, I would like to express my thanks to all the loyal VIC fans who supported us throughout the season and to the publicity board for their moral support as seen in their artistic posters.

On behalf of the team I would like to extend our sincere thanks to Mr. Wynn for all his time and effort he spent coaching us.

—Don Summers

Manager.

BACK ROW: Len Priebe, Wayne Lovatt, Mr. Wynn (Coach), Bob Dawson, Barry Cunningham, Don Summers (Manager). MIDDLE ROW: Alan Gray, Don Nelson, Dale Lovatt, Gary Starchuk. FRONT ROW: Ken Richardson, Doug Pohlko, Bill Bale, Bob McGarvey.

LEAGUE CHAMPIONS

FRONT ROW: Bobbie Prescott, Susan Wagner.
MIDDLE ROW: Brenda Pekar, Diane Harrison, Janet Briggs, Colleen Crozier.
BACK ROW: Mrs. Shapka (Coach), Corrine Kowalchuk, Lois Newman, Barb Kuester, Bev Bychyk.
MISSING: Yvonne Kolba, Ingrid Le Clercq.

Junior Basketball

The Junior girls started their season by losing their first league game to O'Leary. However, they won all the rest of their games by wide margins as the team was sparked by high scoring Susan Wagner, who averaged 18 points per game, and Diane Harrison, who averaged 10 points per game playing guard. Vic finished first in the league when a total point accumulation knocked Ross Shep into second place, leaving O'Leary third.

All fourteen teams in the league were involved in the play-offs. The Vic girls, feeling tense, still managed to defeat Harry Ainley in the quarter finals by scores of 39-27. More confident in the semi-finals, they beat Bonnie Doon 50-35. In the big, final game against Ross Shep, our girls fought hard to come out on top, winning by a slim margin of 26-24. Congratulations go to the girls and their coach, Mrs. Shapka, for a great season and their capturing of the City Championship.

SENIOR BASKETBALL

FRONT ROW: Judy Dann, Debbie Janew. MIDDLE ROW: Jessie Newman, Jean Ostrowerka, Jackie Wagner. BACK ROW: Miss Niewchas (Coach), Marlene Ash, Bernice Harison, Pat Ash, Laura Paish. MISSING: Marg Hoque.

Vic's Senior Girl's had a very successful season this year. Sparked by the excellent playing of Jackie Wagner and Debbie Yanew the team ended up in a three-way tie for first place. In the playoffs, they first defeated St. Mary's 69 to 12, and then took St. Francis 61 to 30. They were knocked out in the semi-finals by Bonnie Doon by a score of 45 to 26. Team members should be congratulated.

THANKS!

In a school as large as Vic, few individual contributions are felt by the majority of the student body. In the past six years, one individual's contribution has been a notable exception — that of Mr. Collett.

As he has served as Chairman of the Publications Board for the past five years, many of us have been fortunate enough to work with Mr. Collett and to know him personally. Other students have felt his influence and efforts through the school publications that he has been responsible for producing — Vista, Victorian, Argo and the Argosy (to which he has also been the advisor for six years). He has also contributed through groups such as the Awards Board and the Advisory Committee.

He now is leaving our school to move into a principalship at Grande Prairie Composite High School.

Mr. D. J. COLLETT

We know by his performance at Vic that he will be successful in this capacity and we envy that community for our loss.

Mr. Collett — we express our appreciation for the fine contribution and selfless leadership you have given to make Vic a better place to be. A sincere "thank you" and Bon Voyage.

HARD AT WORK

DEPARTMENT

About the Play

ENTER LAUGHING

is the hilarious account of a stage-struck youth who works as a delivery boy in a sewing machine repair shop. His parents want him to become a druggist; however he enlists in a hammy semi-professional company that will put anybody in a play for the right amount. He proceeds to splash through romantic scenes with the director's daughter, with another fellow's date, and finally with the girl who was meant for him all the time.

Enter Laughing was produced under the direction of Mr. G. Thurston. The setting of the play was very well done by Mr. G. Dexter. The play was presented on November 22, 23, 29 and 30th. The play was very enjoyable.

Deaf, blind and mute, 12-year-old Hellen Keller was like a wild animal. Scared out of her wits but still murderously strong, she clawed and struggled against all who tried to help her.

Half blind herself, but blessed with fanatical dedication, Annie Sullivan began a titanic struggle to release the young girl from the terrifying prison of eternal darkness and silence.

The play — very enjoyable and well presented. The sets — “excellently designed.”

ABOUT THE PLAY:

The play is a story of the country of Duklestein and how the happy peaceful people in it are transformed overnight to people who "Shoot Each Other Freely and Indiscriminately" after receiving a forged war telegram. It is also the story of to lovers who are forbidden to marry because their two countries are at war. It is the story of how mankind as a whole can be turned into mindless, emotionless puppets — like the actors on the stage — grey, uncaring and ready to follow any new leader or new idea.

BAND

This year the Vic Band decided that they wanted to get uniforms, so they formed projects to raise the money for the uniforms.

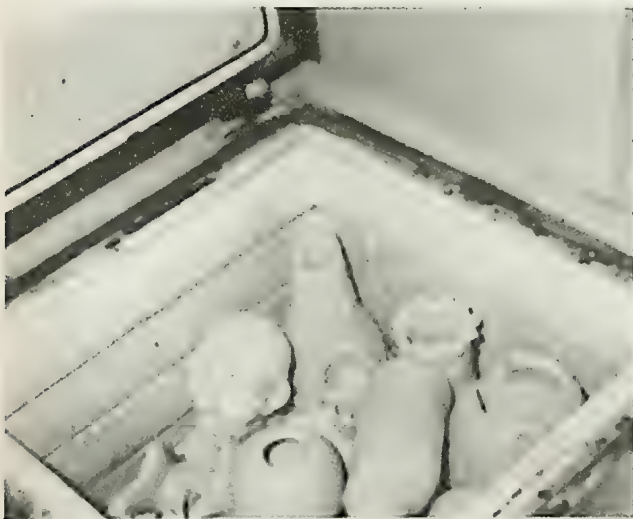

A very enjoyable and successful concert was held at Christmas time. In March they decided to have a chocolate sale, extending into April. Prior to the sale the band members paraded through the halls in old, raggy clothes to show that they needed the uniforms. Then the sale of excellent, chocolate-covered almonds started in earnest. The school worked toward helping the band to attain their goal.

JIM BASINGER

GRAD PRESIDENTS' MESSAGE

We have finished perhaps the most significant years of our lives. Education seems endless, as endless as the sea, as our theme depicts, and all of us have discovered in our past twelve years of school. No sooner have we delved into one field than countless doors are opened to us.

Our few years of high school have done most for us in this respect. Through grades ten, eleven, and twelve, our teachers have tried to prepare us for the great step into the working world. I am sure we can say that they have done quite well.

Nostalgia could describe our feelings as we leave that which has meant so much to us. High school has left with us many of our fondest and most cherished memories, memories that will live on long after we have left Vic.

The time has come to bid our last farewell and decide upon what we shall do with the rest of our lives. A frightening decision, but one that has been made less difficult through our high school years.

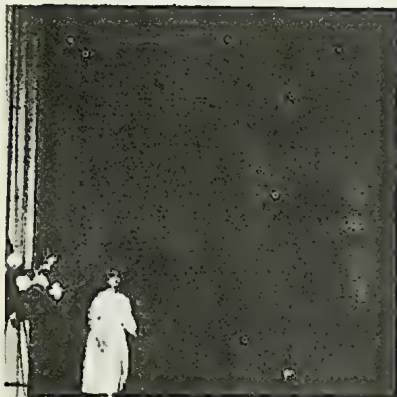

A very special thanks to Miss Pawliuk and the members of the grad council.

Best of luck grads!

FANTASY

VALEDICTORIAN

VALERIE HARRISON

VALEDICTORY ADDRESS

A dream is a wonderful thing conjured in the mind's eye during a period of solitude — while lying on the grass on a lazy summer day, while sipping a coke alone in a booth, or perhaps while waiting for the bell to ring after an assignment is done. During our past three or four years at Vic we have each fulfilled many dreams.

As lowly frosh in Grade 10 we shared a common dream to belong. There was an almost instinctive need to "measure up" in a new environment both academically and socially. Thus was gained pride through scholastic achievement and satisfaction through participation in extra-curricular activities. A linkage with the school was then reinforced by the imperceptible growth of school spirit. It was almost impossible not to join in a frenzied chant at a football game, or bleed for the Red Cross, or defend Vic against the criticisms of others. As our dream of involvement was fulfilled, we became aware of the dreams of those nearest us.

We owe an irrepayable debt to our parents and teachers for their guidance, patience, instruction, and inspiration. Through us their hopes for the future may be realized.

Now an important phase of our life is at an end. We cast our eyes to the future with other dreams, tempered by the wisdom and insight we have hopefully developed. Some are too idealistic to become a reality within our lifetime — world peace, racial equality, relief from human suffering. Some are just within our grasp — further education at University or NAIT, a career, travel, marriage.

Each of us here tonight has a personal goal, which, when attained, will hopefully make our world — the world of the future — a better place for all. The time has come to give serious thought to the perennial question asked since childhood, "What do you want to be when you grow up?". Answer the question raised with what you believe to be your destined station in life. Fill the extra space provided in your mind with a more personal quest — a dream which exists for you alone.

Dreams serve two useful purposes. They are an incentive for progress and a comfort for despair. May we always retain the lessons we learn from our mistakes but allow dreams to cloud painful memories which would otherwise imprison us in the past. Each time we find ourselves starting to say "If only" may we remember to replace these two words to avoid with two that offer hope for the future — "Next time . . ."

MALCOLM STONE

CLASS HISTORY by Malcolm Stone

Mister President, Honoured Guests, members of the Graduating Class and any Non-Paying guests who may be in attendance:

I am conscious of the honour that has been bestowed upon me by my being chosen to follow Don Widynowski as Vic's Class Historian #2. I am grateful to Linda Hayashi and Bob Dawson for having me placed in this inescapable position.

In Grade Ten, many moons ago, so far back that some of us would **not** like to remember, we entered Vic as untrained, suspicious, and true blue unsophisticated frosh, about to be disillusioned by the Almighty Seniors. The frosh, decked out in shaving cream, eggs and indistinguishable name plates, learned how to bow and to respect the

Almighty Seniors. Many frosh entered Vic's only class which cost us something — Ann's 10. By the end of the year, we had shaken off our suspicions about the Seniors and we were just waiting for the day when we could **lay** our hands on some frosh.

Grade Eleven was the year in which we stood aside and laughed at the new load of frosh joining our ranks. We knew what was waiting for them! This was the year that we gave out our change to help build the beautiful Centennial Park. All year we have been staring at the reinforced hole in the ground. Where the hell's the Park? What we had already learned about school spirit in Grade 10, we increased in Grade 11. The Vic Redmen showed us how to play the game — both in basketball and football — whether they won or lost — not that they lost often. Big Chief Dean coached the Senior Football Team and Little Chief Miller whipped the Senior Volleyball Team to a duo of city championships. The Volleyball Team also captured the Provincials.

Grade Twelve is the year which we shall long remember. We all witnessed a great number of changes within the school. We saw the start of smoking rooms and smoking washrooms. We saw our honorary Cigar Store Indian, Mr. Olsonberg (alias The Redman) come as a forerunner to our authentic but belated one. I hear Mr. Yusep, the Ragman turned to moon lighting, dealing in rags and bottles. The semester system started its first run this year and, despite some opinions to the contrary, most students consider it a progressive and successful achievement. That's why I am at Graduation this year instead of next year! It has helped us, is helping us and will help our successors. The Grade Twelve's were officially given free study periods, which I had already pioneered the year before. Vending machines were brought into the school and placed in the east cafeteria — a help to all of us in times of famine and drought — which were many. (The way things are, the halls look like full-time restaurants). We were recently entertained by the Harlem Clowns, who provided us with a very enjoyable noon hour. They should have shot the referee for not wearing regulation clothing. He had different coloured socks on. Our Table Tennis Club's four-man team batted their way to a new world record during the Easter holidays. We are the only school in Edmonton to have two players from our basketball team, Wayne Lovett and Bob Dawson, chosen for the City All-Stars. The Senior Basketball Team bounced to success over J.P. at Ross Shep. to win the city championships. The Juniors topped the league all season. Both teams received a new and different trophy from the The Ripper (alias Kenn Banner) — two basketball nets, so he could make himself a pair of shorts for Sunday. They're holey.

The blood donor clinic was again a fainting success with Dracula and his little helpers. Mr. Olsonberg bled a pint as did his trusted followers, Miss Scheidegger and John Kristensen, who kept him company, while they all lost their source of energy. Wait till next year! They'll most likely reject the Three Musketeers for having the same type of blood as they had this year. Everyone likes a change.

We shall now bow our heads in respect for Judy Dann's bottlescarred body. Her sore tail bone has been acting up again. She needs a pillow to sit down on. Will you be able to dance tonight with your bad knee and shoulder? They might go out again. Fred Marshall must have been doing a lot of catching up this week to be able to collect all those empty beer bottles that were in the Students Union office.

I know I speak for our whole class when I say that I have never learned so much nor have I been happier than in all my years as a professional student at Vic. Years from now, I shall go to a former Vic student and have him or her fix my car, repair my radio, do my books, build my home, sell me a boat and a suit, style my wife's hair, teach my kids, transplant my hernia, dry me out and perform the last rites.

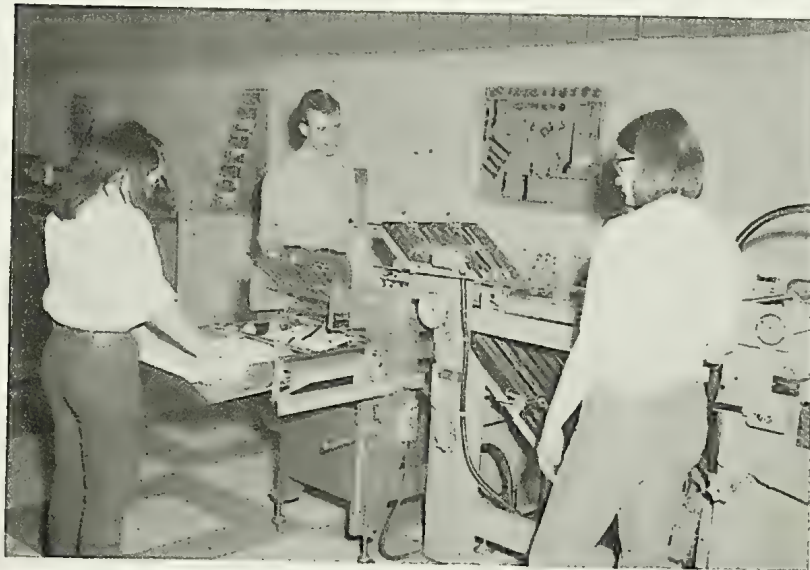

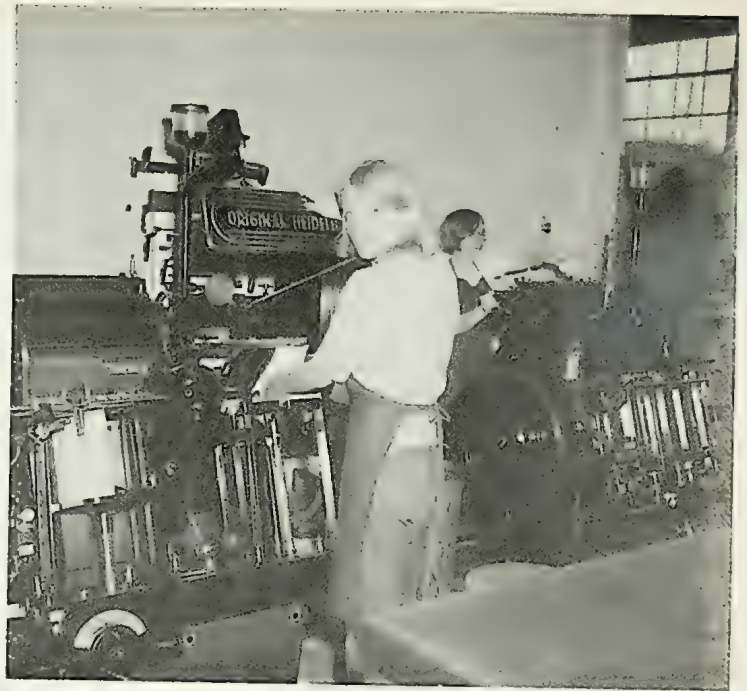

One last word of advice:

Now that we have plunged head-first into the pucnh bowl of life, be sure not to swallow the lemons whole!

VIC'S

On the morning of December 17, Vicites started to dip into their pockets for pennies. The day, was "Penny Day" and the pennies were in support of Roy Edward's Centennial plus one project. The pennies flowed into the lucky wishing wells until a total of 9,663 pennies were collected.

The next day a group of Vicites marched across the street to present the pennies to Mr. Edwards. On the 20th of December, Mr. Edwards presented the money to Reverend Ramsay Stuart, founder of the Oakhill Boy's Rehabilitation Center. The pennies were used to build a hockey rink for the boys.

KLONDIKE

The Klondike festivities started off with a bang early Wednesday morning with a Klondike Breakfast featuring such entertainers as Klondike Kate, four Barber Shop Quartets and many dignitaries including Mayor Ivor Dent. The thrill-packed noon hour included a Band Concert, A Great Western Melodrama and a Good Old Klondike Sing Song outside the General Office. Thursday, the excitement continued with a Pancake Eating Contest and a Square Dance while Friday finished off the festivities with Rodeo Days including such trivials as a Chuckwagon Race, the Wild Mule Fights and a Greased Pig Contest. Friday evening was the finale with a dance featuring the South-band Freeway which was a big success.

SHIRLEY AND 'GRAD FORMS' !

We, the Victorian '69 staff, would like to extend uncommon words of appreciation to all who helped produce this yearbook. A special thanks goes to our production co-ordinator, Mr. Peltier and Pat Quail, for so patiently sharing our headaches. Mr. Evoy's Commercial Artists should be highly commended for their excellent theme throughout the book. Words of gratitude also go out to everyone else who co-operated in other areas.

LOOK AHEAD
Your future
is here in

Alberta...

where opportunities are a whole lot better!

Alberta is a veritable "powerhouse" of natural resources . . . 89% of Canada's petroleum reserves . . . 80% of her natural gas and 50% of her coal are to be found in our province. That's something to consider . . . because abundant natural resources provide a solid base for growth . . . a natural stimulant to industrial and commercial development.

We know . . . we've been here since 1923!

NEWS for TEENS

No one can say that today's teens aren't "up" on the news and views — they read The Edmonton Journal.

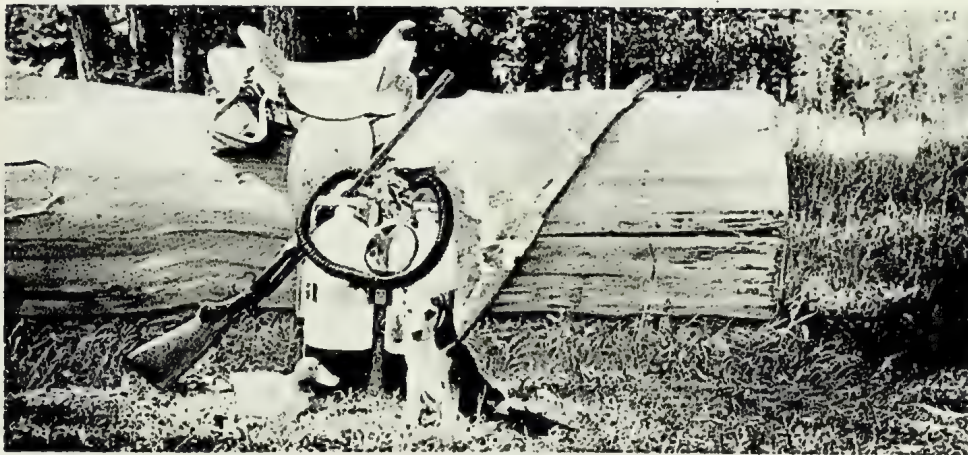

Check the news headlines and stories to keep abreast of happenings locally and abroad . . . you'll find you're "in the know" in your crowd and you'll find you're better informed when classwork calls for background knowledge of world events.

On Friday you'll find the Teen Page of special interest, with a round-up of school news, weekly stories by high-school correspondents and regular teen features like The Scene and Teen Top Ten.

*The Bay . . . where you, the customer, are our
most important asset---serving Edmonton with
continued quality since 1890.*

Since 1890, the Bay has been serving Edmontonians with courteous, efficient service. And they're still doing it . . . now, in 1969. The Bay serves everyone; no matter what you're looking for, you'll find it at the Bay. The Bay is a store for all seasons—spring, summer, fall or winter—serving all people in all walks of life in the same courteous way that has been satisfying customers for the last 79 years.
